

## Photo Release Form for Students

This parental/guardian consent form is to both inform you and to request permission for your child's/children's photo/image and/or name to be published on the studio's website and/or social media sites.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website and social media sites such as Facebook. Global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, as a teacher I want to celebrate your child and his/her involvement with my studio and their progress with piano. As such, I am asking for your permission to publish information about your child.

I will not release any personally identifiable information without prior written consent from you as parent or guardian.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in person or in writing by sending an email to me and such rescission will take effect upon notification.
